# 30 DAYS TO Greater Self-Love

---

## CHECKLIST

Now that you've spent a month enhancing your self-love, it's important to take the significant momentum you've created and carry it into the future. Keep the ground you've gained and continue moving forward.

One way to stay on track is to use a daily checklist. This checklist will help you to nurture your self-love on a daily basis.

Feel free to add any new ideas you might have. Plus, there may be additional things that you might want to do on a weekly basis, such as doing something that makes you like yourself more. Or, you might want to make something a priority that isn't even mentioned on this list.

*It's your checklist - customize it for you!*
